

Pocket Poppet™

Conveniently created to go from boardroom to beach & work to weekend, The Pocket Poppet's cozy, flattering, and adaptable design travels and translates to any type of event, activity, or errand for the ultimate in style mileage! A high-quality travel cardigan proudly made in the USA, the Pocket Poppet is the only fashionable open drape front cardigan that is created to fold into its own attached convenient, concealed and protective pouch. Street chic details such as ruched sleeves, jewel tone colors, and a curve-enhancing cut have been created in tandem with a small credit card /ID/lip gloss/cell phone pocket on the inside, making it perfect for frequent travelers, business women, Moms & festival goers alike. Ladies be prepared to never be chilly again!

All **Classic** Poppets feature box pleat back detailing & self-belt. The protective pocket is undetectable when worn and is perfect to store your cell phone & small essentials!

“My Pocket Poppet is a MUST for me right now. I wake up and it's 43 degrees and then 4 hours later it's up to 60 and then back again! My Poppet has saved me in many situations and every time I pull it out I get compliments not only for having the smarts to carry one around with me but for having such a cute garment too!” Kate- New York

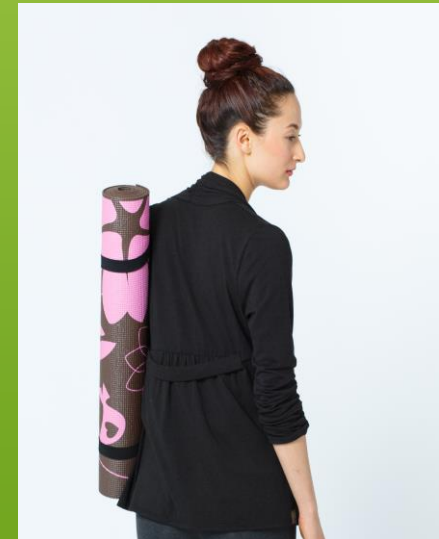

Classic Poppet in Red Wine. The ideal special occasion & travel cover-up.

Soft neck ruching detail creates the flow for the beautiful front drape

The **Lotus** Poppet is created using an imported Bamboo rayon, cotton, spandex blend and features a gently gathered seam and self-belt. Great for a yoga burnout or work out cover-up, the soft moisture-wicking fabric will soon become your functional favorite.
